

## **Corporate Trainees**

### **An opportunity to become a Corporate Trainee for the Tanoa Hotel Group**

Maximizing potential is a fundamental strategy in ensuring that the Reddy Group is fully prepared to meet the challenges the companies face in today's ever changing market.

A newly created two-year Accelerated Corporate Trainee Program (ACTP) needs young, vibrant, highly motivated, talented and enthusiastic individuals who have the potential to excel as future leaders and highly successful Managers within the Tanoa Hotel Group.

This program offers you the combination of practical work experience, formal training, challenging work assignments and management support. It provides trainees with a unique opportunity to develop and 'kick start' their management careers within the rapidly expanding Tanoa Hotel Group who presently operate in Fiji, New Zealand, Vanuatu and Samoa. There is a definite expectation that over time, successful Trainees will progress to senior positions within the company.
